

THE EXPLORER MONEY RACE

mycreativeworld.co.uk

THINGS NEEDED

- Buttons to represent each player; minimum of 2 players must be present to play
- 1 Dice- roll the dice and count how many steps to move
- A sheet of paper to calculate each player's coins

HOW TO PLAY

- Each player take turns rolling the dice
- The money race begins at “START”
- Roll the dice, and whatever number shows up on the dice, is the number of steps you need to go forward; be careful because some blocks want you to go back to the “START”
- Write down the coins you land on, and you keep doing this till you get to “THE END”
- Once any of the players get to the end, that means, the game is over
- Calculate the total number of coins collected by each player
- The player with the most coins is the winner
